

Level 1 Grace and the Double Life by Martyn Hobbs*Writing Skills*

1 A new band is going to play a gig at your school. Design a poster for them.

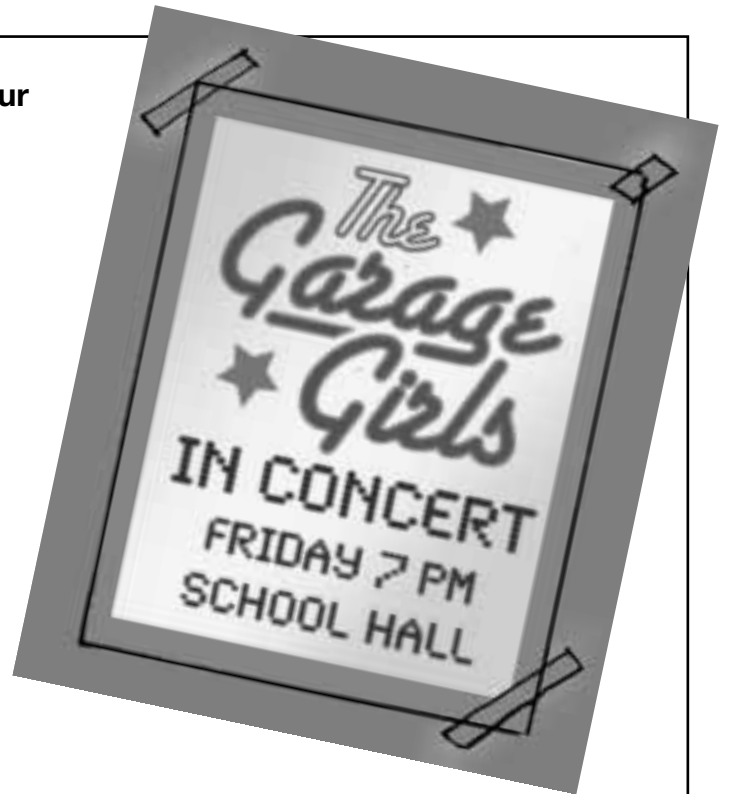

Remember to include:

- the name of the band
- the date of the gig
- the time of the gig
- the venue
- the price of the tickets

2 Imagine you play in a band. Write an e-mail to a record producer about your band.

These questions will help you:

- What's the name of the band?
- How many people are there in the band?
- What instruments do they play?
- What kind of music do you play?
- Have you played any gigs? When? Where?
